Small Print on Flight Costs:

The domestic flights are with Aerolina Argentinas and are included in the "land" package. The price of the packaged for the flights is valid until October 14 and require advance non-refundable payments, which is why we will require a higher non-refundable advance payment than usual. We highly suggest that you insure this trip! The price includes current taxes, but taxes can fluctuate until the date of the flight itself. In that case we will need to pass on the cost of the increase.
